Advocate Children's Hospital is one of the largest network providers of pediatric services in Illinois. A major referral center for infants and children, our two main campuses in Oak Lawn and Park Ridge combine some of the country's most respected medical talent with exceptional and compassionate care, making us a premier pediatric provider in the Midwest.

As part of the **Chicagoland Children's Health Alliance**, we're partners with Pediatrics at NorthShore University HealthSystem and University of Chicago Comer Children's Hospital in providing personalized care coordination services for children and families. Through our alliance, we've formed an integrated and comprehensive network of pediatric experts, from primary to highly specialized care, as well as maternal fetal medicine.
